

Preferred Professional Promotion!!

At Proposing Dreams Weddings & Events, we hope to work over and over again with amazing professionals like the one that gave this to you! Choosing the right professional to capture, execute or perform for your wedding day is the key to success. We have sent this special promotion to just a few of our favorite professionals in an attempt to work with them more.

SO for the month of October we are offering **10% discount on ALL wedding services** when referred by a Preferred Professional! Once the holiday season hits (engagement season in the wedding world) we won't be able to continue this special offer so please contact us soon!

Every couple deserves a wedding coordinator and, with several levels of services all specifically customizable to your needs, Proposing Dreams has a package that is just right for you!

Are you wondering who will organize rehearsal, who will set-up all those details you worked so hard to plan, who will bustle your dress properly and how everything will get loaded up at the end of the night? Then you need our **"Wedding Assistant"** package.

Do you have all the vendors lined up or willing to do the leg work if just pointed in the right direction? Are you struggling with a budget or just adding it up as you go? Do you just wish you had an hour to pick the brain of a professional to put you on the right track? Then you need our **"Wedding Coach"** package.

Do you need more one on one help with certain categories but not all aspects of your planning? Then you need either our **"Wedding Coordinator or Wedding Consultant"** package.

Do weddings happen without coordinators? Sure, everyday, but just like driving a car without insurance, you don't want one of the most important days of your life (and one of your biggest investments) to pass by without knowing someone is right there with you, making sure everything runs smoothly.

Only through a no obligation consultation with Proposing Dreams can we determine the best level of services for your very special day!
